**2nd SCOTTISH CANCER CLINICAL RESEARCH CONFERENCE  
Stirling Management Centre  
Friday, 9th March 2012**

We are hosting the 2nd Scottish Cancer Clinical Research Conference on Friday 9th March 2012.

We would like to invite delegates from the cancer clinical research community in Scotland and UK-wide. This conference is free to all academic/NHS delegates to attend.

The full programme is currently being finalised. We plan to have speakers covering the following:

- Systemic Therapies in Cancer
- Surgical Treatment in Cancer
- Radiotherapy in Cancer
- Health Economics in Cancer Clinical Trials
- Scottish Government Cancer Policy
- NCRI Clinical Studies Groups
- National Approach to Tissue Banking
- How is a Clinical Trial Costed?
- Optimising the Recruitment and Consent Process to Clinical Trials

The final programme should be circulated in October 2011.

**Please save this date in your diary if you are interested and forward on to any colleagues who you think may be interested in this Conference.**
